¡LIGHT UP YOUR SENSES!

Welcome to Magnolia Room, a sensory experience that connect body, mind and soul in total harmony.

A pause that allows you to disconnect, an energetic space of healing.

Traditional treatments, deep relaxation techniques, the aromas and flowers in this room are some of the therapies you will experience by the hands of professionals.

The meaning of Magnolia:

Magnolia is purity and health, that is why its main mission is to create a special space to find harmony, disconnect mind, relax body and light your inner light.

MASSAGE

MAGNOLIA BALANCE MASSAGE

It will help you to find balance and calm. In this holistic massage, the massage therapist will combine different techniques, depending on your needs and preferences. We use specific essential oils to inspire an optimistic vitality and wellness.
