# ¡LIGHT UP YOUR SENSES!

Welcome to Magnolia Room, a sensory experience that connects body, mind and soul in total harmony.

A pause that allows you to disconnect, an energetic space of healing.

Traditional treatments, deep relaxation techniques, the aromas and flowers in this room are some of the therapies you will experience by the hands of professionals.

## *The meaning of Magnolia:*

Magnolia is purity and health, that is why its main mission is to create a special space to find harmony, disconnect mind, relax body and light your inner light.

# MASSAGE

---

## MAGNOLIA BALANCE MASSAGE

---

It will help you to find balance and calm. In this holistic massage, the massage therapist will combine different techniques, depending on your needs and preferences. We use specific essential oils to inspire an optimistic vitality and wellness.

*30min \$42.000.- | 60min \$65.000.- | 90min \$92.700.-*

---

## SWEDISH MASSAGE

---

Deeply relaxing, using long movements with moderate pressure to remove toxins and the muscles tension. The therapist place specific aromas on focal points to bring peace and calm.

*30min \$42.000.- | 60min \$65.000.- | 90min \$92.700.-*

# MASSAGE

---

## DEEP MASSAGE

---

Treating the deep layer of muscles, this massage energizes, stimulates and helps to increase the flow of oxygen. Different levels of pressure will help release tension, and relieve chronic pain, improve movement and increase wellness.

*80min \$110.000.-*

---

## HOT STONE MASSAGE

---

This massage will introduce you to a deep state of relaxation. The simultaneous contraction and relaxation of muscles will promote an energizing sensation, connecting body and soul.

*60min \$100.000.-*

# BODY

---

## MANUAL LYMPHATIC DRAINAGE

---

Pleasant and delicate, with great benefits. This technique helps to improve blood circulation and reduce fluid retention. Recommended after a long trip and for pregnant women.

*60min \$76.000.- | 90min \$110.000.-*

---

## INTENSE BODY TREATMENT

---

It will help improve the appearance of the skin through effective and new techniques, reduce cellulite, swelling, flabbiness, focal body fat and stretch marks. This procedure could be more or less aggressive depending on your needs.

*80min \$105.000.-*

# FACIAL

---

## SIMPLE FACIAL CLEANING

---

It is a light treatment that helps to clean, oxygenate and moisturize face skin with Lidherma products. It balances the skin PH through massage and specific techniques.

*85min \$68.000.-*

---

## DEEP FACIAL CLEANING

---

Remove facial impurities with the help of specific Lidherma products. In this treatment we include peelings or facial masks according to your skin type.

*90min \$85.000.-*
